a s r e d

The image displays the lowercase letters 'a', 's', 'r', 'e', and 'd' in a stylized font. The letters 'a', 'r', 'e', and 'd' are black, while 's' is brown. Each letter is enclosed in a dashed circle: orange for 'a', 'r', and 'd', and green for 's' and 'e'. Solid lines connect the circles: an orange line connects 'a' to 'r', a green line connects 's' to 'e', and another orange line connects 'r' to 'd'.

Outreque Extralight, 16pt

He scolded himself for being so tentative. He knew he shouldn't be so cautious, but there was a sixth sense telling him that things weren't exactly as they appeared. It was that weird chill that rolls up your neck and makes the hair stand on end. He knew that being so tentative could end up costing him

Outreque Extralight, 11pt

Turning away from the ledge, he started slowly down the mountain, deciding that he would, that very night, satisfy his curiosity about the man-house. In the meantime, he would go down into the canyon and get a cool drink, after which he would visit some berry patches just over the ridge, and explore among the foothills a bit before his nap-time, which always came just after the sun had walked past the middle of the sky. At that period of the day the sun's warm rays seemed to cast a sleepy spell over the silent mountainside, so all of the animals, with one accord, had decided it should be the hour for their mid-day sleep.
