

This is an ∞ seat license for *Dada-Tank*, an art historical display face designed by Brian LaRossa and distributed by *Type Brut*, a foundry by *Red King Creative LLC*. This document constitutes permission to employ the font in personal, student, and commercial contexts. That said, neither the font software nor any of its individual components, in original or modified versions, may be sold by itself. Further, no modified version of the font software may use the name *Dada-Tank* unless explicit written permission is granted by the designer. Neither the name of the designer nor the distributor shall be used to promote, endorse or advertise any modified version, except to acknowledge the contributions of the designer and distributor with their explicit written permission. The font software, modified or unmodified, in part or in whole, must be distributed entirely under this license. This license becomes null and void if any of the above conditions are not met.

Sincerely,

A handwritten signature in black ink, appearing to be 'Brian LaRossa', with a long horizontal flourish extending to the right.
